## Destination & Incentive Travel

### Travel Tales

We look at several factors when selecting a destination for our clients - the ambience, the locality, service standards, flexibility, accessibility and safety.

Due to our strong local knowledge, we can advise on the most suitable hotel properties and are often able to provide unusual or privately owned venues for offsite events providing end to end services for transfers, venue sourcing, hotel selection, bookings and liaison.

- Transfers, Guides, Interpretation
- Dedicated registration and check-in counters
- Express immigration clearance
- Welcome packages & room drops
- Detailed liaison with venues inclusive of hotels and restaurants
- Customised tour itinerary
